

Sprint Review - PA5

10/12/2024 - 19/12/2024

Team Members Present:

- Trần Gia Khang
- Trần Quốc Huy
- Nguyễn Hoàng Sang
- Phan Văn Tài
- Võ Anh Quân
- Phan Thế Anh

Absent: None

Sprint goals:

- Write 25 test cases for 5 features.
- Provide a comprehensive test plan.
- Complete all assigned tasks.

Complete Tasks

Test Plan

- Write Test Plan Sections 3 and 4
- Write Test Plan Sections 1 and 2

Test Case

- Write test cases for Register Account
- Write test cases for Login features
- Write test cases for Forgot Password
- Write test cases for Chat with AI Bot
- Write test cases for Upgrade Account

Static Web

- Implement static web for Login Screen (2 screens)
- Implement static web for Chat Screen (2 screens)

Main feature

- Implement Chatting feature
- Implement Authentication Feature

Review:

- All team members complete tasks

Problems:

- The API of AI Chat bot is not free, or usually limited lead to hard implement and testing

Solution and Lesson:

- Create more regular performance reviews and feedback sessions.

Upcoming :

- Implement Websites
- Language: HTML, CSS, JavaScript,
- Framework: Bootstrap 5, Express node js, Express Handlebar,...
- Testing
